Total sales, units, sessions and price come from Seller Central (2 years of history). Advertising history: SP from 2026-01-22. Ad metrics have no year-over-year comparison yet.

- Kensington Valley Trading resells third-party brands. 'Branded' and 'Own brand' mean the brands it lists (Terry's, Tootsie, Peeps, Sixlets, Werther's, Stauffer's, Hershey's and others); 'Competitor' means candy and drink brands it does not list.
- US Ads profile and US Seller Central only; the CA Ads profile had no Sponsored Products spend in the last 30 days and is not included.
- Search Query Performance (Brand Analytics) is not available for this seller account.
- Budget check: Amazon's missed-sales estimate for 2 campaigns uses its Oct 22–28 window (Halloween week) and accounts for $109,517–$328,551 of the $110,461–$331,433 total; the other 8 campaigns use Oct 7–13.
- Harvest candidates are scanned from the top 1,000 search terms by spend (82.1% of SP spend).
- Keyword coverage checks use the top 1,000 keywords and targets by spend (92.2% of SP spend), so coverage is understated.
- Inventory views cover the top 300 SKUs by units shipped in the last 30 days.
