Total sales, units, sessions and price come from Seller Central (2 years of history). Advertising history: SP from 2026-01-22, SB from 2026-02-21, SD from 2026-02-21, SB Video from 2026-06-03. Ad metrics have no year-over-year comparison yet.

- US Ads profile and US Seller Central only.
- Ingredient searches (berberine, ashwagandha, glutathione and similar) are generic; KSM-66 and Magtein are ingredient trademarks and are classed as competitor terms only when used alone.
- Harvest candidates are scanned from the top 1,000 search terms by spend (73.7% of SP spend).
