Seller Central is not connected for this account, so total sales, TACoS, units, sessions, inventory and Search Query Performance are not available. Advertising history: SP from 2026-09-22, SB from 2026-09-22. Ad metrics have no year-over-year comparison yet.

- Ads-only review: Seller Central is not connected in MAP for this account, so total sales, TACoS, organic share, inventory and Search Query Performance are not shown.
- Short ad history: the account has under two months of Sponsored Products data, so the prior 30 days and the trend charts are partial.
- Sponsored Brands has no spend after 2026-10-07 (18 days before the end of the last 30 days).
